So-Called Compromise On Atomic Control Is Proposed

President Truman Completes First Coast-to-Coast Campaign Tour

Returns To Washington Today After Coast-To-Coast Speaking Trip

DECLARES HE WILL NOT 'PULL PUNCHES'

By ROBERT G. NIXON
(U. S. Staff Correspondent)

WASHINGTON, Oct. 2.—President Truman ended his coast-to-coast campaign tour in Washington today in a fighting mood.

Greeted by high-ranking cabinet members and a crowd of 2,000 at Union station, Mr. Truman said: "I've only begun to fight. I'm not pulling any punches."

Arrives At 10:07

The president's special train arrived in the capital at 10:07 a. m. (EST), completing an 8,300-mile campaign tour during which the Democratic standard bearer made 140 speeches.

Despite the rigorous trip, the president appeared in good health and was in a cheerful of combative mood.

After his brief remarks the president drove to the White House to concentrate his attention on international affairs for the next few days. He leaves Wednesday on a second campaign drive into New York, New Jersey and Pennsylvania.

In his off-the-cuff speech today Mr. Truman continued the theme of his west coast trip. He said: "The people are beginning to wake up to the fact that it is the people against the special interests and we've got to fight it out to the end."

Find New Mineral Rich In Uranium

NEW YORK, Oct. 2.—(INS)—Columbia university scientists announced today the discovery of a new mineral rich in uranium, the element used in atomic power and bombs.

The mineral is allied to yellow carnotite, from which the United States gets its domestic uranium in the Rocky Mountains.

Carnotite is one of the two best sources of the atomic material. The small crystals were found clinging to mine walls in the Belgian Congo and were sent to Columbia university for analysis. Like carnotite, the new green mineral is about 60 per cent uranium. It is not yet known whether it is plentiful.

Two Good Sources
More than 100 minerals containing uranium are known, but it has been regarded too difficult to extract.

The two good sources of uranium are pitch blende and carnotite. The new mineral was named sengierite, for Edward Sengier, managing director of the Union Miniere du Haut Katanga, where it was discovered.

Cordell Hull Is Observing 77th Birthday Today

WASHINGTON, Oct. 2.—(INS)—Elder Statesman Cordell Hull celebrated his 77th birthday anniversary today in the happy prospect of soon being able to leave Bethesda Naval hospital.

It was just two years ago that Hull, on the eve of his 75th birthday, suffered a cerebral hemorrhage and was confined to the hospital. At that time he was engaged in writing his memoirs, since published, and it was doubted that he would recover sufficiently to complete them.

However, he did so, but as recently as a few months ago his condition failed again. More recently he was able to go for short drives, and Mrs. Hull, who is constantly at his side, says he may soon be able to return to his Washington hotel apartment.

Release Kane Man Held In Wife's Death Under \$5,000 Bail

BRADFORD, Pa., Oct. 2.—(INS)—Alvin Smiley, 28, of Kane, Pa., was freed under \$5,000 bail after his attorney pleaded there was insufficient evidence to hold him on a first degree murder charge.

The World War II veteran is accused of shooting and killing his wife, Thelma, 19, last July 14, as she sat in Smiley's automobile feeding their year-old baby.

Smiley said the shooting was accidental, and successfully passed a lie-detector test.

He has been held in the Smethport county jail since he was charged with the shooting by County Detective Merle Dickinson. His trial is scheduled to begin in Smethport next week.

Nine Missing From Tug Boat After Collision

Tug Boat Struck By Liberty Ship In Hudson River At New York

(BULLETIN)

NEW YORK, Oct. 2.—(INS)—Nine crew members of the tugboat Annie Marie Tracy are missing and six others were rescued early today after the small craft was rammed and sunk in the Hudson river by a 7,200-ton Liberty ship.

The collision occurred a quarter of a mile off west 25th street, Manhattan.

The Liberty ship, Eliza J. Nicholson, enroute to Albany, hit the tug which had two empty 1,000-ton barges in tow. The Nicholson stopped its engines and lowered lifeboats.

Hunt Missing Men
Police boats, tugs and other small vessels transformed the river into a flood-lit rescue arena until after dawn in their search for the missing men.

Three men were rescued by the Binghamton and three others by the Nicholson's lifeboats.

The missing were listed by police as Russell Kimmel, Lawrence Gillian, Severino Peris, Aurilia Montoro, Joseph Soares, Christopher Vicksen, Frank Gryzik, Henrik Gustavson, and another tug crew member named Serria.

Struck At 1:15 A. M.
The tug, owned and operated by the M. J. Tracy line of New York, was run down at 1:15 A. M. Rescue headquarters were set up on a pier. Fire commissioner Frank Quigley went to the scene to help coordinate the efforts of the fire department rescue crews, police emergency squad, launches of the harbor squad and a hook and ladder company.

The Nicholson later was ordered from the scene for fear that her huge bulk might impede rescue operations or the search for bodies. She proceeded to a dock in New Jersey.

Patricia Schmidt To Be Released Next Wednesday

Dancer Is Granted Pardon By Cuban President On Shooting Charge

HAVANA, Oct. 2.—(INS)—Five days of waiting stood today between Patricia (Satira) Schmidt and freedom.

The 22-year-old Toledo, O., dancer whose pardon was granted by Cuban President Dr. Ramon Grau San Martin, is expected to be released from Guanabacoa women's prison next Wednesday at midnight.

Patricia had been convicted of the fatal shooting of her lover, Chicago Attorney John Lester Mee, aboard the latter's yacht in Havana harbor in April, 1947.

She had served 15 months of a 15-year sentence at the time her pardon was granted.

The official government gazette must publish the announcement of her pardon, and three working days must then elapse before she is freed.

The pardon is expected to appear in the Gazette today.

Her lawyer indicated that the shoe-eyed night club entertainer may take the first available plane for Miami.

Launches Drive To Revoke Club Charters In Allegheny County

PITTSBURGH, Oct. 2.—(INS)—District Attorney William S. Raubauer launched a drive today to revoke the charters of 13 clubs in Allegheny county.

The 13 clubs were named by the special grand jury which reported Thursday on its nine week investigation of rackets in the Pittsburgh district.

The jury said the clubs were devoted largely to gambling instead of the high sounding purposes set forth in their charters.

Meanwhile, Mayor David L. Lawrence said that the "city administration will carry out the recommendations of the grand jury as far as it can."

The jury recommended the indictment of 66 persons and at the same time reprimanded several city and police officials including Police Superintendent Harvey Scott.

Three Are Killed As Flying Boat Suddenly Sinks

OSLO, Oct. 2.—(INS)—Three passengers were killed today when a Norwegian flying boat with 46 persons aboard sank suddenly while landing at Trondheim, Norway.

Several passengers and crewmen sustained serious injuries. Bertrand Russell, famous writer and philosopher, was among the 35 passengers rescued. The three victims of the crash were Norwegians.

The bus, apparently was caught in a sudden gust of wind as it landed and quickly submerged.

Shrine Hosts Invade City

Red-Fezzed Visitors Take Over City Today For Ceremonial And Parade

LARGE CLASS TO BE INITIATED

New Castle was invaded today. However, it was a peaceful invasion, and everyone extended a glad hand to the visitors. They were marked men, too, easily distinguished from the natives, because they all wore red fezzes.

The visitors began arriving shortly before noon today, and soon the streets were filled with the group, all looking forward with anticipation to the afternoon and evening, for a big day was ahead.

Here For Ceremonial

The occasion was the ceremonial of Lawrence Caravan No. 15, of Syria Temple, Ancient Arabic Order, Nobles of the Mystic Shrine, of which Paxton R. Fike, is president. The members and visiting Nobles were prepared to welcome a large class of initiates, and a warm and mysterious occasion was anticipated by the latter group.

Even the weather man was kind to the visitors, sending clearing skies and a warm sun for the parade, which moved out early this afternoon from The Cathedral, site of the day's operations. After traversing the business section, the parade disbanded at Grant street, and all repaired to The Cathedral for the rest of the day's program.

Headed the colorful event was illustrious Potentate Edward T. Chalfant, and his divan from Pittsburgh, with the Syria Temple brass band drum and bugle corps, oriental band, and chanters, along with members of the caravans from a dozen surrounding cities.

Following the grand banquet this evening, the ceremonial was scheduled for enactment after which a fine program of entertainment was in store for those attending.

Blames Russia For Perpetuating Division Of Korea

WASHINGTON, Oct. 2.—(INS)—Lt. Gen. John R. Hodge, former commander of U. S. forces in Korea, blamed Russia today for perpetuating the division of that tiny Asiatic state.

Hodge asserted that Korea has become a "frontier of two conflicting ideologies" being watched "closely and apprehensively" by the Asiatic world.

The general who returned to the U. S. recently and is now awaiting further orders said in an article in the Army and Navy Journal:

"Although it is a little-known country to the American people, the prestige of the United States in Asia is largely hinged upon the policy to which we are committed here."

State Police Make Arrests For Speeding

Five motorists were arrested by state police last night on speeding charges on the roads leading from here to New Wilmington.

There were no high school students among those arrested.

Upon conviction of driving their car in excess of 50 miles an hour the motorists will have their licenses suspended, state police reported.

One of the motorists received a hearing before Peace Justice Robert H. Fraser, Highland Heights, and in default of a fine was committed to jail.

Slippery Rock Queen Candidates

Highlighting the Homecoming and Community Celebration at Slippery Rock State Teachers College will be the selection of a queen who will be crowned at the bonfire on Friday, October 23, and who will reign over the festivities of the entire week-end.

Shown in the picture are the three candidates: (right) Miss Kitty French, Monaca; (left) Miss Marjorie Gartner, Meadville, and (center) Mrs. Dolores Columbus Paul, Venice, Pa. The three upper-classes chose, by secret ballot, the girl they considered the most representative of their class. The entire student body will vote for the one they consider the most representative of the college to become queen of Homecoming.

To Seek Clarification Of School Fund Law

HARRISBURG, Oct. 2.—(INS)—Legislative clarification of the status of funds raised by student organizations using school property may be sought by Pennsylvania educators when the General Assembly convenes in January.

B. Frank Hare, of Phoenixville, told the State Education Congress at Harrisburg yesterday that a State Supreme Court decision last year had sparked confusion and said school organizations should be authorized to use public school facilities without losing control of funds accruing from the activities.

The high court ruled last spring that money derived by student organizations using school property must be administered by school boards.

Considerable confusion Hare said the decision had resulted in considerable confusion and that many school officials "felt that if they took the money over and tried to spend it for school activities they might face surcharges."

The ruling also cast some doubt

Search For Plane Missing On Flight From Pittsburgh

PITTSBURGH, Oct. 2.—(INS)—A search was underway today for an AT-6 Force training plane reported missing on a flight from the Greater Pittsburgh Airport to McGuire Field at Fort Dix, N. J.

The plane with one man aboard has been unreported since it took off last night at 9:24 p. m. EST. It was due at McGuire Airport at 11:24 p. m. last night.

A spokesman at the Army Air Base in Pittsburgh said the air force and the civilian air patrol were conducting a search over the entire area between Pittsburgh and the East coast.

Sentence Two For Jail Break

LANCASTER, Pa., Oct. 2.—(INS)—Two Lancaster county prisoners today had new sentences of two to four years in the Eastern penitentiary for jail-breaking.

They were Harry A. Groff, Jr., 23, of Paradise, and Andrew Rudyk, 23, of Tower City.

The pair scaled the 30-foot stone prison wall with an iron pipe September 28, but were captured 27 hours later.

LINK LUCIANO TO CASE
NEW YORK, Oct. 2.—(INS)—New York City customs officials linked the notorious Charles (Lucky) Luciano today with a \$640,000 cache of narcotics discovered aboard the Italian liner Vulcanica yesterday.

The drugs—16 pounds of pure heroin—were discovered by customs investigators behind a false bulkhead aboard the luxurious vessel shortly after it docked at New York.

Proposal Made To UN Committee By A. Vishinsky

Would Provide For Destruction Of Existing Stockpiles Of Atomic Bombs

WESTERN POWERS ARE SKEPTICAL

By PIERRE J. HUSS
(U. S. Staff Correspondent)

PARIS, Oct. 2.—Soviet Russia introduced a so-called compromise on atomic control today and the western powers immediately found it "tricky" and unconvincing.

The proposal was presented to the United Nations political committee by Deputy Foreign Minister Andrei Vishinsky.

It embodies simultaneous international control of atomic energy and destruction of existing stockpiles.

"Oriental Maneuver"
While it marked the first deviation of any sort in Soviet atomic

PARIS, Oct. 2.—(INS)—Andrei Vishinsky, the first Soviet deputy foreign minister, today said that he is still waiting for the Kremlin's instructions on how to handle the Berlin case before the Security Council Monday.

Vishinsky, asked by international news services whether he will accept any plan that he is still waiting for the Kremlin's instructions on how to handle the Berlin case before the Security Council Monday.

"I don't know yet," he said. Then, thoughtfully, he added: "Maybe I'll know tomorrow."

bomb policy in the last few years. U. S. delegate Warren R. Austin branded it "an oriental maneuver."

It was made clear that the majority of the atomic energy commission would not accept any measure that is not "100 per cent fool-proof."

Vishinsky again took the stage after former Premier Paul Ramadier had pleaded with the Soviets to accept American atomic proposals.

Ramadier, now defense minister of France, said that if there is no agreement "there will be no more United Nations."

Seen "Phony" Offer
Frederick H. Osborn, U. S. representative on the atomic energy commission, described the Soviet offer as "phony."

Northern Ireland Will Leave British Commonwealth Soon

LONDON, Oct. 2.—(INS)—The London Daily Herald quoted Eire's Prime Minister John Costello today as saying that northern Ireland will leave the British commonwealth within a month.

The paper quoted Costello to the effect that Eire's parliament will consider legislation to amend the "External Relations act" of 1936.

Under this ruling, the governor-generalship was abolished and the British king was authorized to act for Eire in external affairs.

Students At Mahoning Township Consolidated School Have Diversified Program

Students and teachers alike at the Mahoning township consolidated school joined Friday in a glowing tribute to the Keystone state with the home room of most every class in the school depicting some peculiar phase of the state's diversified industries and products. Mrs. Elizabeth Miller, principal of the school, supervised the celebration with the valuable assistance of the teachers of the building.

The boys and girls of grade one, small as they are, did their bit in honor of Pennsylvania, letting others know how proud they were to be citizens of such a great state. The younger ones in these classes told and dramatized the story of the early history of Pennsylvania. A vivid dramatization of the life of William Penn and his experiences with the Indians was part of their program.

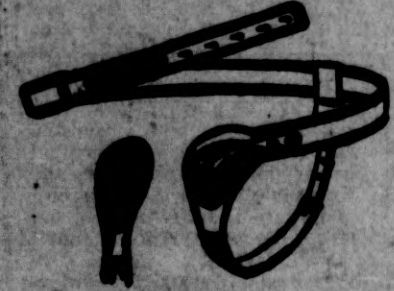

The second grade classes related some of the early incidents that took place in the life of the struggling state at the beginning of our American history. Many of the main industries of the state were given by the children of these classes.

Pennsylvania Quilt. Pennsylvania, yesterday and today, was the theme of the third grade classes while grade four boys and girls participated in a Pennsylvania quilt and told of the many cities of the state and what they are best known for.

In the fifth grade, "Pennsylvania's Beauty" was the topic of discussion during the week. The pupils had on display many of the fruits, vegetables and nuts that are grown in this state. An exhibit of this state's manufactured products and minerals attracted much attention.

tion. Some curiosities of the state were shown with Miss United States represented on their program.

A study of the map of Lawrence county kept the sixth graders busy during the period of celebration. They also followed the progress of the schools in the state from the log cabin stage through the one-room schools to the modern consolidated schools.

State History
Grades 7-A and 7-B studied the history of the state and reported on interesting places as well as learned more about this county: A historic play, "The Man Who Struck Oil," was produced, the life of William Penn was depicted and a radio program on important facts and beauty spots was presented.

Eight graders told of what Pennsylvania week meant to them, said tribute to the Keystone state and related of the state's heritage and freedom.

Th entire school benefitted from the thorough study of their state, learning many valuable things that they will not forget for some time.

Pittsburgh Woman Honored As Oldest Person In State

PITTSBURGH, Oct. 2.—(INS)—Although wrinkled and shriveled, a 106-year-old Wilderwoman woman claims to be one of the healthiest and happiest persons in the world. Mrs. Sara Cortazzo received a plaque yesterday from the Allegheny Medical Society, honoring her as the oldest living person in western Pennsylvania.

Mrs. Cortazzo was born Jan. 1, 1842 in Salerno, Italy. She is now living with her grandson and great-grandchildren.

She came to America in 1894 with her husband and six children who have died. She has 73 grandchildren, 28 great-grandchildren and four great-great-grandchildren.

When asked what made her live so long, she answered: "Hard work."

Report Mass Purge Launched In Poland

LONDON, Oct. 2.—(INS)—The London News Chronicle reported today that the Polish government has launched a mass purge of anti-government peasants and Roman Catholic priests.

The newspaper, in a dispatch citing Scandinavian sources, said that the purge was touched off by grave food shortages in many Polish cities. It named Cracow and Katowice as especially hard hit by shortages of wheat, sugar and fats.

The shortages were attributed by the newspaper to shipment of these foods to Russia and requisitioning of large stocks by Soviet troops crossing Poland on their way to Germany.

But, it said, the government blamed the situation on hoarding by peasants and ordered the purge.

PROPOSAL MADE TO UN COMMITTEE BY A. VISHINSKY

(Continued from Page One)

viet Union on the atom or any other matter is worthy of the most careful study."

Gen. A. G. L. McNaughton of Canada, the nation which sponsored the majority atomic resolution and which calls for agreement on inspection without prior notice before any destruction of existing weapons, took an opposite view.

Does Not Help

He said:

"The resolution does not help the political committee. What is needed is acceptance of atomic energy commission principles."

"Vishinsky's offer doesn't advance us. It is purely flippant. The Russians are changing their position because it was an illogical position. They could not maintain theirs."

"This sends us back to Lake Success for another year of discussions."

"It doesn't affect the Canadian resolution which is the best basis for the assembly."

"The important thing for the Russians is for them to base their proposals on atomic energy commission reports and not on horse-trader or compromises."

Still standing in the way of any agreement are Soviet demands that final control rest with the Security Council, where Russia has the veto, and that U. S. inspection demands be dropped.

The U. S. has called for the creation of an international body which would turn all atomic resources and have the right to inspect research of all nations and all industry.

Vishinsky's compromise offer was made after France warned that unless agreement on atomic control is reached, "there will be no United Nations."

But observers agreed that the bid must have been prepared by the top Kremlin strategy planners to catch the west by surprise.

They noted that it may split the overwhelming support which has been lining up behind the American plan, since some nations, including China, previously had proposed exactly the compromise which Vishinsky offered today.

U. S. Delegate Warren Austin described the new Soviet plan as "an Oriental maneuver." He said the U. S. will have a "lot of questions to ask" before it is satisfied that Russia has paved the way for new discussions.

Other nations on the atomic energy commission agreed that "on the surface" Vishinsky made a great concession which might upset support for the U. S. plan. But they were skeptical about Soviet intentions.

Austin criticized the resolutions offered by Vishinsky embodying his proposal as "vague." But he added:

"They (the Soviets) are apparently indicating to the world that they are getting ready to come to an agreement."

Midget Auto Is Used As Tombstone

MATTOON, Ill., Oct. 2.—(INS)—A 200-pound midget automobile rested today atop the coffin of a mechanic in a Mattoon cemetery.

The car was buried yesterday with 60-year-old Harvey Wishart in accordance with his wishes.

F. S. Schilling, the undertaker, said Wishart asked him to witness his will eight years ago. At the time, Schilling said, the mechanic asked if a car he had built could be used for his tombstone.

When Schilling expressed doubt that this could be done, Wishart then told him that "I want it buried with me."

The car, one of three built by Wishart, is five feet long and one and a half feet high. A one-cylinder motor, taken from a washing machine, drove the car at a 12

Miss Martha Bigley, of East
North street, pleasantly entertained
a party of friends at dinner in the
Village Inn, Harlanburg, in honor
of Mrs. Kate Badger Ayling, of
Los Angeles, California, on Wed-
nesday evening.

Dinner was served at 7 o'clock
and during the informal social time
that ensued Mrs. Ayling greeted
the friends present, including sev-
eral Eastern Star members. She
also entertained the group by play-
ing selections on the piano.

Mrs. Ayling is a former resident,
is visiting in New Castle in the
home of Mrs. Charles Richards, of
Highland avenue.

COUPLE FETED ON 25TH ANNIVERSARY

Mr. and Mrs. Glenn Hillmer of
Plaingrove were pleasantly sur-
prised when friends and relatives
gathered in their home Wednesday
evening to help celebrate their
silver wedding anniversary.

The couple had been on a short
trip to Washington, D. C., and
other points of interest and when
they returned home found the
house beautifully decorated with
fall flowers and three-tiered wed-
ding cake centering the dining
room table.

The evening was spent playing
games as diversion.

At a late hour a very delicious
lunch was served by Mrs. Lois
Stillwagon of Grove City, Mrs.
Kathryn Eisler, Miss Evalene Mi-
nor, Mrs. Grace Sankey and Mrs.
Pearl Minor.

Mr. and Mrs. Hillmer were pre-
sented with many lovely gifts and
cards.

They are the parents of three
children, Mrs. Lois Stillwagon of
Grove City and Glenn, Jr., and Lee
at home.

GROUP OF FRIENDS HONOR RECENT BRIDE

Mrs. W. E. Harris of 2310 High-
land avenue, was hostess on Thurs-
day evening to a group of friends
at her home, when she served a
chop suey dinner. She was assisted
by her daughter Mrs. Harry Ham-
mond. The table was decorated
with flowers.

The occasion was in honor of
Mrs. Katherine Ayling, of
Huntington Park, Calif., formerly
of this city, a bride of June, this
year.

Music and reminiscing was the
pastime of the evening.

The honored guest was the recip-
ient of a lovely gift from the
hosts.

KRADEL-HIGGINS ENGAGEMENT TOLD

Mr. and Mrs. Clarence P. Kra-
del, R. D. 3, announce the en-
gagement of their daughter, Donna
Jean Kradel, and Gerald A. Hig-
gins, son of Mr. and Mrs. Ralph
E. Higgins, of 1807 Audley avenue.
Both Miss Kradel and her fiancé
are employed at the United Engi-
neering and Foundry company.

No date has been set for the
wedding.

BRIDE AND GROOM RETURN: 'AT HOME'

Mr. and Mrs. Walter J. Forney
Jr., are at home in an apartment
on Sunflower road, New Brighton,
following a wedding trip to Lake
Erie and New York state. The
bride is the former Miss Dawn
Marie Erwin, daughter of Mr. and
Mrs. Charles C. Erwin, of 244
North 18th Avenue, New Brighton.

The wedding took place in
the First Christian church of Bea-
ver Falls on September 18 with
Rev. Frank Buechley officiating at
the single ring ceremony at 7:30
o'clock in the evening.

Miss Patricia Manion, of Bea-
ver Falls attended the bride as
maid of honor and bridesmaid;
were Miss Jenelyn Claple, of New
Brighton, and Miss Robert Shee-
han, of Ellwood City, and Miss
Marilyn Williams, of this city, jun-
ior bridesmaid.

Glenn Hecannon served as
groom as best man and ushers were
Warren Weber, of Homewood, and
Fritz Duncan, of Beaver Falls.

Soloist was James Bowman, of
New Castle.

A reception for 100 guests was
given following the ceremony in
the home of Mrs. Bertha Shaffer,
New Brighton. Aides were Miss
Kathleen Atkinson, Mrs. Fritz Dun-
can, Mrs. Richard Holman, and
Mrs. Claude Crill and Mrs. Daniel
Williams, the latter both of this
city.

Mrs. Forney, Jr., is employed at
the Beaver County Federal Build-
ing and Loan Association and Mr.
Forney, a son of Mrs. George
Cowan, of Beaver Falls, is with
the Pittsburgh and Lake Erie Rail-
road in Beaver Falls.

DIBIASE-LAYTON CHURCH WEDDING

Miss Antonetta Marie DiBiase,
daughter of Mr. and Mrs. Anthony
DiBiase, of Pollock avenue, became
the bride of James Francis Layton,
of South Mercer street, son of Mrs.
Georganna Layton, of Cleveland,
O., on September 23, in St. Vitus
church.

The nuptial high mass was of-
fered at 9 a. m. with Rev. Fr. Nich-
olas DeMita officiating using the
double ring ceremony in the pres-
ence of a host of friends. Palms
and ferns decorated the altar.

Given in marriage by her father,
the bride was charming in a white
slipper satin gown with marqui-
sette yoke edged with Chantilly
lace fitted bodice and full skirt
trimmed with scalloped Chantilly
lace ending in a train.

Her Chantilly lace fingertip veil
fell from a crown and she carried
a cascading bouquet of white roses
centered with an orchid.

Miss Jenny Scala, as maid of
honor, wore a pink satin gown
and carried a bouquet of red roses.
Bridesmaids Pauline DeFiore and
Agnes DiBiase wore blue satin and
rose taffeta gowns and carried bou-
quets of yellow roses. Junior
bridesmaids were Connie M. Mark-
er and Dorothy Nasal, who wore
blue taffeta gowns and carried
Colonial bouquet. Attendants also
wore pink net bonnets with braid
of pink net.

Rudy Brune served the bride-
groom as best man and ushers were
Bud Byers and Carmen Chilli. Ring
bearers were Mark A. Farnace and
Anna M. Farnace.

A wedding dinner was enjoyed at
noon served in the Savola hall,
where in the evening a reception
was held for guests numbering
200. Mr. and Mrs. Layton departed
on a wedding trip and upon their
return will reside in their newly
furnished apartment at Pollock
avenue.

Both are graduates of New Cas-
tle Senior High school and Mrs.
Layton is employed at the Shen-
ango Pottery company. Mr. Layton
is affiliated with the Wilsons Tis
shop.

correct uplift and support

This beautifully designed garment combines the charm of correct
figure lines with healthful and comfortable support. The correct
degree of abdominal uplift is assured because Belt, Clasp or Hook
and Eye Fronts of many proportions can be combined with Backs
of varying sizes and lengths. Side lacings provide convenient ad-
justment and adequate figure control. This garment improves
posture and is very effective for the relief of backache, dropped
stomach, hernia and similar conditions which require firm abdomi-
nal support. It is excellent for maternity wear.

This is only one of the hundreds of healthful and
figure-flattering foundations offered by New Castle's
newest corsetry service. Let our experts help you at-

Special Services For Rosh Hashanah Here

At the setting of the sun on Sunday, October 3, Israel the world over will usher in the holiday of Rosh Hashanah or the religious New Year. The holiday of Rosh Hashanah lasts two days, which coincides this year with Monday and Tuesday, October 4 and 5.

The Jewish New Year concludes for Reform Jews at sundown, October 4. Orthodox and Conservative members of the Jewish faith observe this festival for two days. The Hebrew date of this High Holy Day is the 1st of Tishri 5709.

Religious services will take place at Tifereth Israel Synagogue on Sunday and Monday evening at 8:15 p. m. and at 7:30 a. m. on Monday and Tuesday, October 4 and 5. Rabbi Jules Lipschutz will officiate and preach the sermons both days upon the subjects, "A World Birthday" and "Keys From Heaven". Rev. Harry Sobel of Canton, O., has been engaged as the cantor for the high holidays, Rosh Hashanah and Yom Kippur, and will chant the liturgies of the holidays. Rev. Baruch Karr, will officiate as reader of Scripture and will sound the Shofar on the holidays.

Special services will be conducted for the youth in the junior congregation on both days of Rosh Hashanah, Monday and Tuesday, October 4 and 5, at 8:45 a. m. under the guidance of Rabbi Jules Lipschutz. On Monday, October 4, Lynn Slovosky will be Rabbi and will preach on the subject, "Hannah and Samuel". Samuel Kulkin will be cantor. On Tuesday, October 5, David Alter will preach upon the subject, "A Universal Brotherhood," and Sanford Kantz will be cantor. Services for adults will be held in the main synagogue of Tifereth Israel and the youth services will be held in the vestry of the congregation on both days. Services at Temple Israel will

be conducted Sunday evening at 8 o'clock, with Dr. Iwan J. Gruen in charge, the sermon topic to be, "Crisis and Opportunity".

On Monday morning at 10 o'clock, services will be conducted, the topic to be "Frontiers of Yesterday and of Tomorrow".

The exceptional nature of this festival can be seen from its characteristic ceremonies, such as the preparatory month of Elul, the penitential prayers and customs, and the blowing of the ram's horn known as the Shofar, as well as the fact that it marks the beginning of the ten days of penitence. The latter are known as Yomim Nidrei, or days of awe and solemnity, and culminate in the sacred Day of Atonement, Rosh Hashanah is regarded as a world birthday in which the liturgical prayers make supplications for the welfare of mankind. The Jewish New Year is referred to in the Book of Numbers as "Yom Teruah," the "Day of the Sounding of the Shofar," on which the fate of every individual is weighed and judged according to one's merits and demerits. It is also known as the Day of Remembrance and the Day of Judgment.

With the New Year 10 days of penitence and prayer commence. In this sacred period a man must make restitution for his sins of omission and commission and resolve to live in such a way as to be pleasing in the sight of God and in the sight of man. To the Jew, Rosh Hashanah is one of the most sacred and spiritual days of the year. The day is dedicated to serious thought. One must consider his past actions, and make resolutions to lead a better life in the future. The ten days of awe end with the Day of Atonement, the most solemn day of the year.

The passing of the old year and the beginning of the new show how short is the span of human life and remind man that "he is a stranger and sojourner upon the earth." The idea of God and eternity is brought to the mind, and teaches him to face squarely the eternal verities. On this day, he prays for Divine forgiveness for his sins. The blowing of the shofar or ram's horn during the morning service is a clarion call to the conscience. The listener searches the innermost recesses of his heart and analyzes his motives and conducts. This Holy Day is dedicated to the needs of the individual and the spiritual and universalistic in character.

In the present days of anxiety, frustration, and fear, Rosh Hashanah brings a message of inner calm and contentment; of faith in God's love and mercy, and in the inherent goodness of the human heart.

Job Placements Hit New Peak During August

HARRISBURG, Oct. 2.—(INS)—Job placements reached a new peak for the year during August when nearly 24,000 persons were given work. It was reported today by the Pennsylvania State Employment Service.

A. J. Caruso, director of employment and unemployment compensation, reported that 23,700 job placements registered during the month represented an 82 per cent gain over the preceding month, and were 18 per cent higher than August, 1947.

The August total brought to 163,000 the total number of workers placed in jobs by the PSES during the first eight months of 1948 Caruso said.

August job placements included 8,100 veterans an increase of 20 per cent over the previous month. Jobs have been found for nearly 57,000 veterans this year, Caruso added.

WASHINGTON CALLING

(Continued from Page Four)

James A. Farley no votes are changed in the last four or five weeks of a campaign. Poll-taker Elmo Roper is of the same opinion, and he decided two weeks ago that it was futile to take any more presidential polls since the outcome was a foregone conclusion.

President Has Other View

The president for a variety of reasons cannot accept that view. He has said repeatedly to the politicians greeting him along the way: "It wasn't so long ago that Harry Truman was the only person who believed I could be re-elected president of the United States."

This is spoken in a brisk, confident manner and the listener is left with the implication that millions now have been converted. Whether they have or have not, it is impossible to say.

The kind of homely campaigning the president has done in Oklahoma, Missouri, Kentucky and West Virginia at the very least establishes him as a friendly, plain-spoken American who earnestly wants their votes. My guess, and it is just that, would be that he is slowly improving his position, partly perhaps because of the sympathy that goes to an underdog fighting hard to meet the challenge of a supremely self-confident young veteran.

When that is said, it must be put against the fact that President Truman's stock just prior to the Democratic convention was at bottom. Yet, as he also reminds his visitors, he has always been lucky in politics and the Truman stock is a wildcat stock subject to extreme fluctuations.

the Marshall plan and the European recovery program with the social and humanitarian aspects of the United Nations.

From the less sentimental but even realistic point of view is the fact that swift U. N. action in the shipment of vaccines to Cairo stopped a cholera epidemic in its tracks.

It might have taken thousands of lives. Surely it would have sealed off the entire Middle East—at the time of Palestine's deepest crisis—from contact with the rest of the world.

It is upon such achievements that its supporters base their hopes of United Nations survival.

THE PARENT PROBLEM

(Continued from Page Four)

all alone. I shall never forget seeing a child beginning all alone to walk. He did not know anyone was watching him. He was outside an old house among some timothy stalks. As you know, a stalk of timothy affords only token support, but this youngster stepped forward seizing the top of one stalk, then another. The support was psychological.

It's fun for Dad to recognize the first word the youngster utters, even though the recognition is chiefly imagination. Very precious to hear "Dada." What fun for Dad to hear this growing little person put more and more words together, thereby expressing his feelings or seeking information. Blessed is the lot whose Dad enjoys answering all his questions.

Reading To Child

What fun a father can have read-

ing to the little child. Long before this child is two he likes to look at pictures, talk about them, ask questions about them and hear his dad answer these questions and tell about the pictures. And Dad so talks by using the words on the page he reads, first brief nursery rhymes, then very short folk tales and the like. (My bulletin, "Books From Which to Read to Baby and Young Child," may be had in a stamped envelope by writing me at 235 East 45th street, New York, N. Y.) What pleasure Dad can gain from seeing the little child so happy over being read to, as he sits beside the father or on his knee. Sometimes Dad makes up yarns for this little child—all magic until similar yarns come out of the youngster's head. Have you ever observed the beauty on the face of the young child creating, when he felt sure his father or mother was enjoying his creation? It's fun for Dad to keep on reading to this child day after day, when the child is three; five, even twelve or sixteen. How wonderful when the teen-age child and

Dad read to each other, enjoying together some of the great classics.

It's great fun for a father to make things with the toddler two, the child nine or the youth, gradually building for and with the child a home workshop where he and Dad make things together for fun—sometimes with other children. Great fun for the father to go hiking, camping and fishing with his son; to play table tennis, badminton or games like checkers or chess together.

Methodist Pastors Will Have Meeting Monday Afternoon

First Meeting Of Season For
Church Pastors To Open With
Luncheon At Y.M.C.A.

Resuming their monthly meetings, the first of the regular business and fellowship meetings of the Methodist ministers of the New Castle sub-district will take place on Monday at the Y.M.C.A. The meetings will open with a fellowship dinner at the Y.M.C.A. at 12:30 p. m. to be followed by the business and speaking session in one of the rooms of the Y.

Rev. A. C. Howe, new pastor of the Epworth Methodist church, will conduct the period of devotion. Rev. F. P. Sulmonetti, president, will conduct the business session. The report of the nominating committee will be heard and new officers for the fiscal year will be elected.

Castlewood Will Have Rally Day

Rally Day has been planned for Sunday morning at the Castlewood church of the Christian and Missionary Alliance with the service to open at 9:45 o'clock.

The special speaker for the meeting will be Mrs. Grant McElwain of Butler, who will address the combined Sunday school departments.

VISITING EVANGELIST ON MINISTER'S HOUR

Sunday afternoon at 2:30 o'clock the regular New Castle Ministerial Hour program will be in charge of Rev. Oliver W. Hurst, pastor of the First Baptist church.

Evangelist John Barbee, who has been holding a series of meetings at the church will be the speaker. His wife, Mrs. Eunice Barbee, will be heard in solo numbers.

Mission Sponsoring Visiting Singers

A special series of musical concerts will be presented at various churches in the city over the week end by the Lacy Trio, which opened a four-day series of programs at the City Rescue Mission Friday evening. The trio, composed of Mr. and Mrs. Floyd Lacy of Cleveland, O., and Mrs. Gladys Wilson of Pasadena, Calif., are being sponsored by the City Mission, 17 South Mercer street. Due to the Mission's small auditorium, the remaining services are being conducted in various churches of the city.

This evening, the trio will continue their programs in the First Baptist church at the Youth for Christ rally at 8 o'clock. Sunday morning, they will be heard in the Sunday school of the Church of the Nazarene, Falls street, at 9:30 o'clock. At 10:15 a. m., they are to be heard at the First United Brethren church, Crawford avenue. In the evening, a public concert is to be presented in the First Christian church on the Diamond at 7:45 o'clock. The final concert is at the Calvary Gospel Tabernacle Monday evening at 7:45 o'clock.

Rev. Gaiser Will Discuss Berlin Airlift Sunday

"What Is the Berlin Airlift?" will be the evening sermon topic at 7:45 o'clock in First Methodist church this Sunday. The pastor of the church will speak on his first-hand encounter with this airlift and will bring a message about the significance of such a project to the Christian Church. Also at this evening hour the Sacrament of the Lord's Supper will be served to those unable to attend the morning service.

Sunday morning will be World-Wide Communion Sunday and the service will begin at 11 o'clock. This Sunday also marks the re-opening of the Junior Church program as well as the nursery school. The Junior Church will feature a new "All Aboard for Adventure" series along with film strips and story records.

Youth For Christ To Hear Singers

Lacy Trio Will Be Presented In
Indoor Camp Meeting At
Baptist Church

Deviating from the usual rally services, the New Castle Youth for Christ will hear a special musical program this evening at 8 o'clock in the First Baptist church, East at North street, when the Lacy Trio will be presented.

The group headed by Floyd Lacy, O., and Mrs. Gladys Wilson of Pasadena, Calif., will be heard in what is known as an indoor camp meeting, when many of the old favorite Negro spirituals and choruses will be sung by the group. Mr. Lacy will be in charge of the program and lead in the song service.

There will be no preaching at the service, with the evening given over to singing and special music. Mrs. Rose Bender will preside at the organ.

Emmanuel Church To Have Assembly

First quarterly conference of the Emmanuel Evangelical United Brethren church will convene in the church Saturday evening under the direction of Dr. H. W. Kasbach, who was recently re-elected conference superintendent for a period of four years.

The pastor, Rev. H. H. Grove, who was recently appointed to Emmanuel church for his fifth year, will have charge of the communion services on Sunday, both morning and evening. He will speak in the morning at 10:45 o'clock on "The Bread of the Soul" and in the evening at 7:30 o'clock on "Christian Unselfishness." Special music will feature these services.

House Of The Lord Continues Series

Revival services which have been in progress at the House of the Lord Mission, East Reynolds street, continue each evening at 7:30 o'clock. The series of meetings is being conducted under the leadership of Elder and Mrs. Harry Fink, Woodbury, Pa., who are both experienced home mission workers, serving the Pennsylvania Council of the Brethren in Christ church.

There will also be a Christian rally service on Sunday afternoon at 2:30 o'clock in addition to the evening session. Jesse Latoria is superintendent of the mission.

Former Chaplain To Speak At Services

Announcement is made that former chaplain and evangelist, Rev. Henry G. Spraggins of Fort Worth, Texas, will open a special series of evangelistic meetings in the Primitive Methodist church, Matland at South Mill street, beginning Sunday morning, October 3, and continuing through Sunday, October 17.

Rev. Spraggins was a chaplain at Camp Reynolds near Greenville, spent seven days behind enemy lines and was taken as a prisoner of war. Services start nightly at 7:45 o'clock.

Crimson clover was introduced into the United States from Italy in 1818.

Seeks To Halt Collection Of City Wage Tax

YOUNGSTOWN, O., Oct. 2.—(INS)—A suit was pending in court today to prevent the city of Youngstown from collecting its new three-mill income tax.

The suit was filed yesterday by Edward Humphrey, CIO leader and factory worker, who charged that the tax is unconstitutional. He named Mayor Charles F. Henderson and other city officials in his action.

Humphrey said the tax, which was imposed by city council last summer, was vague, un-uniform and discriminatory because the rates of taxation do not provide a fair rate applicable to all taxpayers in their respective classes.

Pennsylvania is a Great State —tell someone about it

Pennsylvania leads the nation in 50 major industries.
It produces more power than any other State.
It has more skilled workers than any other State.
It is No. 1 in the output of many raw materials.
It provides 10% of all the manufacturing employment and payrolls in the nation.
It is a bigger market than many whole nations.
It has a friendly State Government and a fair tax structure.
It has more towns and small cities than any other State; more people living on farms than any but one other State; and it is the only State in the Union with two of the 10 biggest cities.
It has a billion dollar farm industry and ranks away up in farm cash income, in dairying and many fruits, and it produces more vegetables than all of New England.

A movement is under way all over the State to boost Pennsylvania. You can help by boosting your own communities, by attracting new industries and by helping those already here to prosper and expand. Will you help?

Bodies Of Wampum Brothers Arriving On Monday Morning

Soldier Brothers Who Died Six Weeks Apart Served With Patton's Third Army

Mr. and Mrs. Louis Ferrucci of Wampum, who received word that on December 17, 1944, that their son, Sgt. Albert Ferrucci was killed in action and on January 29, 1945, that their other son, Cpl. Louis Ferrucci, Jr. was also killed by enemy fire, have been notified by the government that the bodies of the two boys would arrive in Wampum, Monday morning.

Upon arrival the bodies will be taken to the Marshall funeral home where arrangements for proper services and military burial will take place. No time for the funeral has been set.

Albert and Louis were inducted together on March 21, 1942 and were in training in the following camps: Fort Warren, Wyoming; Camp Swift, Texas; Fort Sam Houston, Texas; maneuvers in Shreveport, La.; and desert maneuvers in Los Angeles, Calif. They were sent overseas from Indiantown Gap on August 3, 1944.

Albert was in the 95th Infantry Division with General Patton's Third Army. He was awarded the Bronze Star for gallantry in the line of duty in the battle of Metz. Albert was killed in Germany on December 17, 1944 at the age of 24. He graduated from the Wampum High school, with the class of 1938.

Louis was in the 95th Ordnance Division also with Patton's 3rd Army, and was killed while on convoy from France to Belgium on January 29, 1945 at the age of 22. He graduated with the class of 1932 at Wampum High school. The two brothers were constantly together during their service. They were members of St. Monica's church in Wampum.

Surviving the young men, besides their parents, are four brothers, Joseph of Ellipton; Joseph, Ralph and Orland of Wampum; four sisters, Mrs. Pauline Morella, Mrs. Nettie Kobbe, both of Ellipton; Mrs. Rita Schrefel of Conway, Pa., and Mrs. Ann Hackett of Koppel.

Cancer Society Represented At Regional Meeting

Mrs. Blake H. Waldo, member of the board, and Mrs. Walter W. Duff represented the Lawrence County Chapter, American Cancer Society, at a regional meeting of the Pennsylvania division at the Hotel William Penn in Pittsburgh October 1 and 2.

L. F. Gerber, recently appointed executive director of Pennsylvania and Mrs. Elizabeth C. Robinson, state commander, will lead discussions on local chapter problems.

The youngest vice president of the United States at the date of his inauguration was John C. Breckinridge of Kentucky, who was 36 years old when inaugurated, in 1857.

Teen Ager's Change Time For Meeting

Members of the Teen Ager Progressive club met at the home of their supervisor, Mrs. Leo Orelli, of 801 Pollock avenue, Thursday evening for another project in cooking.

Miss Doris Pascarella acted as hostess with the aid of Mrs. Orelli. It was decided by the girls to change their meeting time for the present to Sunday afternoon, every two weeks, at 2 o'clock.

Special guests were Mrs. John Pruitt, of Division street, and Miss Michael Orelli, of Mill street. Miss Rose Palmer captured the door prize.

Miss Pascarella assisted by Mrs. Orelli, prepared tasty meatballs with sauce and lunch was enjoyed by all.

The next meeting will be at Mrs. Orelli's home, October 10 at 2 o'clock, when Miss Margaret Orelli will act as hostess.

Congregation of the Christian church at Edenburg is looking forward to new activities under the leadership of Rev. Raymond W. Stewart, the new pastor who was called after serving in the same capacity at Hubbard, O.

Saturday, at 7:30 p. m., the congregation will meet at the church. Officers will be elected for the ensuing year.

Each Lord's Day, Sunday school commences at 10 a. m. Morning worship and communion follow at 11 o'clock. A newly-organized Society of Christian Endeavor meets every Sunday at 8:30 p. m.

Evening services will be inaugurated this Sunday at 7:30 p. m. Included in this full-program is Bible Sunday and prayer meeting every Thursday evening at 7:30 o'clock. Rev. and Mrs. Stewart have taken up residence in the Edenburg Christian church parsonage.

Freight Rate Increase Asked

WASHINGTON, Oct. 2.—(INS)—The nation's railroads petitioned the Interstate Commerce Commission Friday for an eight per cent increase in most freight rates.

If granted the increase would bring the railroads an annual increase in revenues estimated at \$672,500,000.

The petition asked maximum boosts of eight cents per 100 pounds on fresh fruits and vegetables and five cents on lumber and sugar.

The railroads propose to increase the rates on coal and coke 30 cents per net ton. On iron ore an increase of 25 cents per net ton is asked with no boost to upper lake ports for transshipment by water.

The Association of American Railroads said that if the rates requested are granted a petition filed with the ICC on August 26 asking increase in the rates on coal, coke and iron ore, would be withdrawn.

Fire Department Is Commended

Manager Of New Castle Plant Of Standard Steel Spring Co. Lauds Firemen's Services

Fire Chief Herman F. Steinbrink has received a commendatory letter from Thomas C. McClain, vice president and general manager of the New Castle division of the Standard Steel Spring company as the result of a fire and minor accident at the plant September 27 afternoon.

After extinguishing an oil and grease fire with "fog screen", the B truck being driven by Fireman Clyde R. Rohrer was leaving the machine shops' door of the plant when it was struck by a tractor, operated by a company employee.

The tractor struck the bumper, knocking the wheel from Rohrer's hand and dislocating a shoulder. However, he seized the wheel and stopped the B truck immediately. Relative to the fire and accident, General Manager McClain wrote Steinbrink:

"Please convey our sincere regrets to Clyde R. Rohrer, and also give him a pat on the back for bringing the truck under control quickly enough to avoid what otherwise could have been a very serious accident."

"We would also like to take this opportunity to compliment you and your department for your immediate response to our call and the efficient manner in which you handled and extinguished the fire. Based on our experience with your department, it is our sincere opinion that New Castle can be justly proud of its fire department."

Relative to the damaged bumper, which was slightly bent, the company straightened it out, and replaced it, according to Chief Steinbrink.

Consistory Party Attracts Big Crowd

Musical Program And Movies Followed By Dancing At Opening Party

Consistory members and their families filled The Cathedral at the opening family party which took place on Thursday evening with a splendid program of entertainment.

The program followed the same general lines as those of the past, with movie shorts and pep singing filling in the early hours of the evening as the audience gathered.

Lew Pearsall was master of ceremonies, and introduced David W. Rees for a period of pep singing, with Ernel E. Branstetter at the organ.

The program featured the Melody Guild Girls of Pittsburgh, who presented a splendid group of musical numbers, many of them taken from recent hit shows. Accompanying was Homer Ochenshirt's orchestra.

Following the program in the auditorium, there was dancing in the Cathedral dining room, with a feature picture for those not indulging in the dancing.

WILL THERE BE JOBS HERE FOR THE FUTURE CHILDREN?

The fact that there have been jobs for you does not mean that there will always be jobs for your children. Some of the industries that have been big job-producers in the past have become less important in the present. They must be replaced with new industries. What is being done in your community to bring in new industries?

The State Department of Commerce has been carrying on an aggressive campaign to bring new industries into the State. It is up to us in our own community to make sure that some of these many new industries locate here, where they can provide jobs for our children, and business for our stores.

The Pennsylvania Week celebration is part of that campaign. Its purpose is to help arouse all Pennsylvanians to the great advantages we have here . . . and the urgent necessity for doing something to keep them great in the future.

Employ Handicapped Week Committee Visits Employers

Opportunities For The Handicapped To Be Stressed In Next Week's Observance

Thirty physically handicapped persons were placed in gainful occupations during National Employ the Physically Handicapped Week last year in Lawrence county.

As NEPH Week approaches this year there are more than 100 handicapped persons actively seeking employment in the county. According to George Gettings, manager of the local state employment office, the number of handicapped veterans seeking jobs increased last month to a high of 80.

Several local businesses and schools that utilize the ability and skills of handicapped workers were visited last week by Wesley Davey and his committee for NEPH Week, which begins October 3. The opinion of local employers was found by the committee to be the same as the results of a recent national survey. This survey by the Veterans Administration proved that properly placed handicapped persons are adaptable, reliable workers who are equal and sometimes superior to other workers in job performance.

Local citizens who have volunteered to work in behalf of this year's NEPH Week have adopted a three-fold program as their goal. To secure placement for as many handicapped persons as possible will be the main purpose. The second goal is the education of the public and employers in the advantages of hiring handicapped workers as a year-around policy.

Accompanying handicapped persons with the opportunities open to them in part three of this program. According to Mr. Gettings, the importance of this part of the program is often overlooked, but this year's committee will stress this particular phase of the goal.

Registration For Adult Classes Open

Vocational Education Director Earl Case announced today that there are still openings in certain adult education classes that are being offered at Senior High school this season.

Persons interested in the clothing course have the following choices of time that they can attend class: Monday, 4:30 to 7:30; Thursday 2:30 to 4:30 or Friday 4:30 to 7:30.

Despite a 741 enrollment last Tuesday evening, adults may still register Tuesday, October 6 from 7:00 to 8:30 p. m. for courses in English, French, Psychology and Clothing. Registration will be at the high school office.

Bus Driver Killed, Two Others Injured

PHILADELPHIA, Oct. 2.—(INS)—A bus driver was killed and two other persons were injured Friday in a head-on collision of a PTC bus and a huge tractor-trailer in southwest Philadelphia.

The bus driver, Lake Stroud, 54, of East Lansdowne, Pa., was crushed in the twisted mass of metal, wood and glass. It took rescuers 25 minutes to free his body from the wreckage.

Hurt were David Drumming, 36, the only passenger on the bus, and Donald White, 36, of Richmond, Va., the truck driver.

The trailer-truck's cargo of cigarettes scattered on the highway.

BARBARA OUTSTANDING

At a big Hollywood party the other night, when stars were shining brightly, I think I was more impressed with Barbara Stanwyck than any of the others present. Greer Garson was there with her flaming tresses, Betty Grable with her blonde locks, Lucille Ball with her watermelon curls and so on—and Barbara Stanwyck in her own, naturally growing hair. She looked lovely.

Barbara has the courage that defies artifice. Why should she depend on false colors when she has the only thing that lasts—talent?

If she doesn't win an Oscar for her dramatic portrayal of the neurotic woman in "Fanny, Wrong Number," then there'll be a hot time in the old town come March next.

Incidentally, Barbara spent two weeks practicing and rehearsing her role alone—crying and gibbering into her telephone. The result was no less than perfection, even if she did lose 10 pounds.

JANE USES FLUGS

Another Oscar contender—Jane Wyman—also had difficulty with her major role of the year in "Johnny Belinda."

Producer Jerry Wald says they went through the opening scenes with the deaf mute character, and they were no good, because Jane didn't really look deaf.

Then he located some ear plugs, which did the trick completely. When inserted in her ears Jane was completely out of it. Couldn't hear a word. Learned to "hear" by sign.

CRIME DOES PAY?

Crime certainly was paying in Hollywood this week. Biggest box office attractions are "Rope," "Bory," "Wrong Number," "Larceny"—and "Rachael and the Stranger," with Bob Mitchum was doing a big business too.

CENSORED STUFF

In case you wonder why movie magazine stories all sound so love-devey and complimentary to the stars, there's a reason. No fan mag story can be printed without an okay from the studios. That's a Johnson office order. Blame it on Talulah Bankhead. Once a writer asked her a question—and then printed the answer!

RECORD ENROLLMENT

STATE COLLEGE, Pa., Oct. 2.—(INS)—A record enrollment of 9,646 on-campus students was reported today by Pennsylvania State college.

Dean of Admissions William B. Hoffman said an estimated 400 "overflow" freshmen and sophomores at cooperating colleges and off-campus centers probably would raise the enrollment figure to more than 10,000. He added that only a preliminary count had been made.

OTHER EVENTS
IN COURT HOUSE

Three sentences were handed down Friday morning by Judge John G. Lamoree.

H. L. Anderson and A. D. Hambrick, both pleas to the charge of "tramp", were given 30 days in the county jail.

Paul L. Womer, R. D. Mercer, plea to failure to stop and disclose identity after an accident. Fined \$100 and costs, 30 days in jail and reimburse damages to the amount of \$300. A petition for parole will be considered if the fine, costs and damages are paid.

SUES FOR DAMAGES

Rose and Frank Pandolfo have entered a suit for a total of \$1,325 damages arising out of an automobile collision with the truck of W. J. McCormick.

It is alleged the truck of the defendant hit the car of the plaintiff at the corner of North and Beaver streets on June 16, 1947. Frank Pandolfo claims \$600 for injuries and Rose Pandolfo claims \$325 for damages to the car.

BONDED INDEBTEDNESS,
\$102,000

If every man woman and child shipped in on dollar each, the bonded indebtedness of the county would be paid off. The indebtedness stand at \$102,000. Interest will be paid in January and on July 1, 1948, a principal payment of \$35,000 will be paid, bringing the total indebtedness down to \$67,000. The bonds are serial bonds, otherwise the county would pay them off.

NEW CASTLE NEWS

Walter Conover
PENNSYLVANIA POWER CO.

When Gov. James H. Duff declared this week, September 28 through October 2, as Pennsylvania Week, he set the populace of this Great Commonwealth of Pennsylvania to thinking of the magnitude of the state in which they live. Abounding in natural beauty and native resources, our state has given opportunity to its great wealth of humanity.

Giving birth to modern agriculture, industry and transportation, Pennsylvania leads the Nation in advancement. Super highways and railroads are futuristic arteries of transportation to all parts of the state and to the rest of the country. Railroads like the Pennsylvania carry thousands of pay-load tons hourly to and from the state. (The railroad scene to the upper right was taken near New Galilee and is known as Summit Cut, the deepest railroad cut on the E. & A. Division of the Pennsylvania R. R.)

Education and Industry went all-out to impress upon our people the importance of our state. School children at the Mahoning Township Consolidated school exhibited products of the state in a display at their school on Friday afternoon. Mrs. Elizabeth Miller, the principle of the school is shown with the display in the second picture.

Pennsylvania Power company is winding up the week with a two day open-house at the powerhouse near West Pittsburg. The third picture shows part of the huge crowd that packed the place Friday evening. American Can was another local plant to hold open-house. In the fourth photograph, Peter Grittles, principle of Lincoln and Garfield school with a group of his pupils is shown shaking hands with Allan K. Schmidt, superintendent of the Can factory, welcoming them to a tour of inspection.

Pictorially, Pennsylvania has more to offer than any other state in the Union. Steeped in tradition and the historic past of our nation, its historic and state shrines have become a mecca for tourists. Here in Lawrence county we have most of the few covered bridges remaining in the state. Two of the outstanding picturesque mills that the county boasts of are, the McConnell's Mill near Princeton and Walker's Mill at Neshaunock Falls. These mills are MUST in tourist's vacation snapshot album. The balancing Sphinx Rock, shown in the lower photo is a little known, wonder of nature, located in the county. It is near Pennsylvania route No. 88 on the road from New Castle to Ellwood City.

Ocean Freight Bill
To U.S. For Relief
Over 424 Millions

WASHINGTON, Oct. 2.—(INS)—A Marshall plan official estimated today that the ocean freight bill footed by this country for the first year of European recovery will be at least 425 million dollars.

This represents approximately eight percent of the five billion, 55 million dollars appropriated by congress for the recovery operation.

The economic cooperation administration official said best information places ECA shipping costs for deliveries to the Marshall plan nations at between 425 and 450 million dollars.

He disclosed that a "little less" than 50 percent of all ERP shipments are being made in U. S. vessels.

The cost of shipping material overseas is listed by ECA as "ocean freight" charges.

RETURNS TO FLORIDA
AFTER VISIT HERE

Mrs. D. W. Houk of Miami, Fla., has returned to her home following a three week visit in this vicinity with relatives and friends. During her stay in the city, she visited with her sisters, Mrs. R. E. Johnston of 838 East Lutton street and Mrs. E. G. Carr, 205 1/2 North Walnut street.

During her visit here, Mrs. Houk celebrated her birthday, with a dinner tendered her by a group of 30 at Willow Grove. Mrs. Houk visited in numerous adjoining cities during her vacation trip.

FALL CAUSE OF
INJURY TO CHILD

Little Pamela Aspinall, aged 16 months, of Portersville, was treated at the Jameson Memorial hospital, for a fracture of the right wrist, received when she fell from the back of a davenport in her home, late Friday morning.

She was treated at the Jameson Memorial hospital, at 12:25 p. m.

GIVEN FIVE-YEAR TERM
MUNICH, Oct. 2.—(INS)—A German denazification court today imposed a five-year sentence at hard labor on Ulrich Graf, 70, the oldest living member of the Nazi party.

Graf, who held party membership No. 8, is said to have shielded Adolph Hitler from bullets during the abortive Nazi putsch of 1923 in Munich.

JULIA TERRANOVA ANNOUNCES DATE

Miss Anne Terranova entertained at her home on Pollock avenue on a recent evening in honor of her sister, Miss Julie Terranova, who will be married on Saturday, October 9.

A variety of interesting games were played with prizes going to Alice DiCarlo, Albena Chirumbolo, Vicky Comparone, Anna Marchel-lella and Cele Scungio. A mock wedding highlighted the evening with Loretta Donati, Helen Mas-trangelo, Dolly Alfano and Anne and Julie Terranova participating.

Tables for four were later arranged for the 16 guests in an individual and attractive manner by the hostess, assisted by Mrs. Pete Terranova and Mrs. Betty Rich, who also served. At each place were little boy and girl sun-flower favors with linked arms and tagged "Julie and Tony, October 9, 9 a. m."

Throughout the evening pictures were taken by Miss Mary Librandi. The honored guest received a beautiful selection of gifts of miscellaneous nature.

Miss Terranova, daughter of Mr. and Mrs. Angelo Terranova, will become the bride of Anthony Bu-onpane, son of the late Mr. and Mrs. John Buonpane, of Pollock avenue, on Saturday, October 9, with a nuptial high mass being celebrated at 9 at St. Vitus church.

Miss Terranova has chosen her sister Anna, to be her maid of honor, and Mr. Francis Russo will be best man. Miss Dolly Alfano will be junior bridesmaid and Nickie Alfano will be ring bearer.

New Castle High Band Performs At Sharon Game

New Castle Host Comments Fine Treatment Accorded At Game Friday Night

It's one thing to be sportsman-like and courteous when your home team is topside on the score. It's quite another thing when your team takes a teeth rattling shellacking from a visiting team. That's when genuine sportsmanship undergoes the acid test.

Sharon fans underwent the acid test Friday night and came through just as good sportsmen as they are in the years when their team is better than New Castle.

Both Sharon and New Castle bands were on the field at half time and if these two bands aren't the best high school aggregations in western Pennsylvania they'll do until better ones come along. Sharon's band is now directed by Clair "Tiny" Klopfer, a delicate bit of a chap who would hit a hay scale at about 265. But Mr. Klopfer is a bandsman and his organization carried on Friday night in the fine tradition of the late David Reese. If the football score had been based upon the quality of the bands the score would have been a tie.

The two bands massed for the Star Spangled Banner with Joe F. Replogle directing. Both went through their musical gymnastics at half time and the two musical organizations seemed to be in a friendly rivalry for top honors.

This article is not dealing with the merits of the football game except to say that Sharon seems to have a team that is about one year away. In 1949 Sharon comes to New Castle and don't be surprised if they walk off with a win.

If they do, some 2,000 New Castle fans who went to Sharon Friday night will tell you that we can do credit to ourselves to remember the fine spirit of sportsmanship that prevailed before, during and after the game.

Sharon is the type of high school club New Castle delights to have on the schedule every year.

Word has been received by Mr. and Mrs. Harry Kettel, of 15 Cliff street, of the birth of a son to Mr. and Mrs. William Brown, of Darlington, formerly of the ward, on September 27. The baby has been named James Francis. Mrs. Brown is a niece of Mr. and Mrs. Kettel, and was formerly Arlie Wilson, of West Cherry street.

Big Beaver Grange Has Annual Farm Fair Event Friday

Many View Fine Displays Of Farm Products And Handicraft At Grange Hall

Farmers and farm women of Big Beaver township who generally the year round are so busy with their work and have so little time to talk "shop" off the farm took time out on Friday afternoon and evening to display the products of the soil and the efforts of their hands at the annual farm fair which was conducted in Big Beaver Grange hall.

Many Exhibits
Throughout the day the industrious men and women carried into the grange hall the numerous items in which they excelled whether it be the common pickle or Mrs. Farmer's fancy quilt which represented many hours of hard labor. The grange hall was gaily bedecked for the occasion in order that the items lined up on the long tables might be shown off just a little better.

One side of the hall displayed the many farm items that come through tilling the soil, such as corn, cabbage, pumpkins, squashes, tomatoes, potatoes and many other wholesome products which were the result of many hours of labor on the part of the farm men and women. Canned goods which the women folk put up were lined up in the center of the hall presenting some very attractive displays.

Cakes Attractive
The skill of the women cake, cookie and bun makers was shown in the many delicious products of the oven which were on hand creating an excellent appetite in everyone that was present to view the fine display. The hand work of the women which included quilts, dollies, tablecloths, potholders and other fancy work was shown at the front of the hall with much favorable comment being registered.

Assisting the farm men and women and helping to make the day an outstanding one in their farm life was C. Dayton, Lawrence County Agriculture Extension Agent, who was on hand to judge the various items of the men. The task indeed was a difficult one with many products awarded excellent ratings. Mrs. Margaret Hoffman, of the Mercer County Home Economics bureau judged those items displayed by the grange ladies.

Thomas Wilson of the grange was general chairman of the affair, with Mrs. Chester Leslie in charge of the women's events. Between the afternoon and evening hours, delicious refreshments were served to the fair visitors.

TEACHERS SEEK WAGE BOOST
YOUNGSTOWN, O., Oct. 2.—(INS)—Wage boosts, ranging from \$400 to \$1,050 a year, will be asked by Youngstown school teachers Monday.

The Youngstown Teachers Association also will ask the Board of Education to give them a cost-of-living bonus of \$250 for the present school year.

The teachers want the minimum wages raised from \$2,000 to \$2,400 for those with a four-year college degree, and from \$3,950 to \$5,000 for those teachers with a masters degree and 25 years of experience.

Some 250,000,000,000 cigarettes are smoked a year.

School Pupils Make Tour Of Power Plant

Make Visit At Start Of "Open House" At Pennsylvania Power Co. Plant

Four hundred and ninety-eight pupils of Mercer, Beaver and Butler county schools, and also the science class of New Castle high school, attended open house at the West Pittsburgh steam plant of the Pennsylvania Power company Friday afternoon, and witnessed how electricity is made from coal, water and air. Incidentally, the second turbine, placed in operation last December, was dedicated. The plant has a capacity of 88,000 kilowatts, or 117,000 h.p.

See Electricity Made

They saw coal, pulverized, blown into the furnace, and burn with a flame that resembles oil or gas. The flame and resulting hot gases change the water in the tubes into steam and heat it to a temperature of 900 degrees at a pressure of 800 pounds per square inch. The energy of the coal is transformed into steam, which rushes through a pipe to the turbine where it is directed against curved blades on a turbine shaft. The steam gives up its heat energy in spinning the shaft and the whirling turbine holds the energy in the form of mechanical power.

The turbine shaft is connected to the generator rotor. The generator is a machine similar to that simple dynamo discovered by Michael Faraday over 100 years ago. It consists of a series of copper bars which spin within a magnet thus producing electricity. On each of the turbine were placed, naming the different parts, and their functions, which proved very interesting to the students.

Also in the turbine room, were models of overhead electric and miniature distribution lines, and also a model of an electric utility system.

Portable Substation

There were also placards which told in detail the function of all parts of the various systems. The portable substations, on wheels, was also displayed.

Various articles employed to supply electric service were seen, and in one section of the room was a machine, operated by cranking a handle, which drives a generator.

It was explained that would require seven hours cranking to make one cent's worth of electricity based on the average residential rate of the company.

On another floor of the brick and steel building, which was started in 1937, and dedicated by the late Wendell L. Wilkie, then president of the Commonwealth & Southern corporation on June 6, 1939, was shown:

The growing use of electricity:
Areas Served
The area served by the company, (including Mercer, Beaver and Allegheny counties);

The illumination of homes provided with electricity (with instructions as to what to do if a fuse blows out);

Different types of meters, the functions of which were explained fully by an attendant;

How electricity is applied commercially, industrially, and on the farm.

In another room were various electric articles, such as clocks, refrigerators, comforters, clocks and whatnot, which are destined to be awarded to some person who attend the open house.

There was also a huge, illuminated display which illustrated the general features of a complete light and power system.

According to chart, the Pennsylvania Power Company's steam plant is capable of generating 600 million KWH, in a year, compared to 720 million in Portugal, and less is generated in Palestine, Bulgaria, Ireland, Turkey and Luxembourg.

Another chart showed that with seven percent of the world's population, the United States produces and uses 46 percent of the world's electricity.

Additional hundreds are expected to attend the open house and inspect the plant today and Sunday.

Dates Are Fixed For Observances

HARRISBURG, Oct. 2.—(INS)—Dates were fixed today by Gov. James H. Duff for observances to enhance conservation practices in Pennsylvania.

Duff proclaimed October 15 "Fall Arbor and Bird Day" and set aside April 8, 1949, for a similar observance in the spring. The week beginning April 4, 1949, will be celebrated as "Conservation Week," the governor said.

He called on Pennsylvanians to observe the dates by planting trees and shrubs.

Westminster Freshmen Week Rules Laid Down

(Special To The News)
NEW WILMINGTON, Oct. 2.—Visitors to this community, next week, the home of Westminster College, who are uninitiated in the ways of the college students, will probably stop frequently and rub their eyes in disbelief at what they see. It will be "Freshmen Heli Week" and the rules as promulgated by Student Council have been announced. Critics rule the rules on a par with former years.

A few of the general rules, which apply to both men and women are:

1. Everytime a freshman hears "Hey Mole, in your hole"—he or she will drop to his or her hands and knees and proceed as if digging a hole.
2. Freshmen must get off the sidewalk when upperclassmen approach.
3. All freshmen must carry name cards 9" by 13".

Some of the special rules for girls are: No jewelry; one heel up and one flat at all times; one stock and one anklet; no putting up of hair, and dinks must be worn at all times.

Boys have been ordered to wear makeup at all times; carry a purse containing lipstick, Kleenex, comb, mirror, pencil and matches, and wear a green ribbon around the neck.

Monday girls have been ordered to wear their hair in 13 pigtails;

Warren Speaks At Philadelphia

Maintains Americans Have Lost Confidence In "Leaderless" Democratic Administration
PHILADELPHIA, Oct. 2.—(INS) Gov. Earl Warren, Republican vice-presidential candidate, maintained today that "millions of Americans" have lost confidence in the "leaderless" present Democratic administration.

"They have watched cabinet members disregard their chief executive," the California governor told a rally in Philadelphia.

"They have watched Democratic members of congress throw up their hands in despair over their party leadership and vote with the Republicans time and time again."

"How can there be confidence in

the mind of any American," Warren asked, "while national administration loses itself in a series of contradictions?"

Warren declared that the present administration has made a habit of complaining "to avoid responsibility" and denounced it for signing and condemning legislation at the same time.

"We cannot afford to have the world continue to watch the national administration of this country breaking into fragments, losing its control, and confusing the

situation by blaming everyone for its short-comings," Warren said.

He praised his presidential running mate, Governor Thomas E. Dewey, as a man of courage, vision and understanding, capable of giving the nation sound leadership.

Thousands of persons lined the streets as Warren, his wife, and their daughter, Virginia, rode from the railroad station to their hotel yesterday afternoon. The lobby of the Broadwood hotel, where Warren spoke last night, was jammed three hours before the governor arrived.

The game of shuffleboard was known in England as early as the 15th century.

If a bee could live that long, it would take him 64 years to make one pound of honey.

Army Secretary Warns 3900 Doctors Needed For Army

WASHINGTON, Oct. 2.—(INS)—Army Secretary Royall warned today that the "the whole defense program will be seriously retarded" if the Army fails to recruit an additional 3,900 doctors in the next nine months.

Royall said that the Army's sickness and mortality rates are at their lowest level in history and reported that the rate of venereal disease among American troops has dropped 50 per cent since 1946.

But the secretary added that never before has the need for medical officers "been more vital". Royall declared that "the effectiveness of our troops will be seriously impaired" if "the threatened shortage of doctors becomes a reality."

Warns Against Blocking 'Drives'

"If you want to have your car towed away, park in front of a driveway, while attending the football game."

This is what Chief of police Robert D. Hanna warned today.

His utterance followed a complaint from a Friendship Street resident that football fans persistently park their cars in front of his driveway, preventing its use.

It is a breach of motor vehicle regulations to park in front of a driveway, regardless where the driveway may be, hence, if a motorist should do so, and miss their car, they'll discover it has been towed away by police.

DIVIDEND CUT BY BELL OF PENNSYLVANIA

PHILADELPHIA, Oct. 2.—Reduction of the quarterly dividend from the customary \$2 to \$1.50 was announced today by the board of directors of the Bell Telephone Company of Pennsylvania.

In announcing this action, F. J. Chesterman, president of the company, explained that the company failed to earn even the reduced dividend during the past quarter.

E. NEW CASTLE

HAYRIDE ENJOYED

The R.W. class of the Grace Bible church entertained their husbands on a recent evening by taking them on an old fashioned hayride. The group motored to the Wilson farm at New Wilmington, where they transferred to a haywagon and were then driven over the country roads. Late in the evening they enjoyed refreshments at a local diner.

YOUNG PEOPLE'S OUTING

The young people of the Grace Bible church enjoyed their first prayer session of the season when they motored to Rochester Tuesday evening to the home of Mr. and Mrs. Miller where they also enjoyed a wiener roast.

CLASS MEETS

Miss Carol McCowan entertained her Sunday school class at her home on Roy street Tuesday evening. The meeting was opened by the president, Miss Sally Stevens. Mrs. Karli, teacher of the class, offered prayer. The girls decided to make theirs a joint class and to include the younger boys of the Men's Bible class in their social activities.

A delicious lunch was served by the hostess' mother, Mrs. Frank Nye, assisted by Mrs. Karli. The class will meet with Miss Sally Stevens in October.

EAST NEW CASTLE NOTES

Bob Smith, who has been confined to the Jameson Memorial hospital, is reported as doing nicely.

Mrs. Homer Houk and Mrs. Charles Sanford and daughters, Cathy and Shirley Lee, spent Thursday with Mrs. Marion Boulden of Castlewood.

Work on the new highway to East New Castle is progressing nicely and from all appearances the detour will soon be a thing of the past.

Miss Nancy Watson, daughter of Mr. and Mrs. T. C. Watson, has entered nurses training at the Jameson Memorial hospital.

Miss Irene Bunney, who has recently been visiting with her brother, A. C. Bunney, of Albion avenue, has returned to her home in Mahopac, N. Y.

Mr. and Mrs. William Houck visited the latter's father, Eugene Bleakney, of Ellwood City Wednesday evening.

Mr. and Mrs. William Whiteacre and children of near Evansburg, Pa., visited the former's parents, Mr. and Mrs. Lee Whittacre, of Allegheny avenue Sunday.

"National Employ The Physically Handicapped Week"

October 3-9

Remember - ABILITY not disability COUNTS

ABILITY COUNTS

MAN WANTED Behind the desk in the personnel office in any business sits a prospective employer. He has a job to offer to some worker who can prove the ability to do the job. Behind that job lies the possibility of economic security and reasonable independence for the worker. Also behind that job lies the need for production and profit so as to make the job economically sound. At this time of high employment and production, employers in Lawrence County and in many other sections of this Nation are looking for men to fill jobs. The urgent need for greater production for exports and national defense materials has expanded labor demands at a time when demand for workers for farm, food processing, and manufacturing already is at an abnormally high level. Employers are hanging out "help wanted" signs and calling upon local employment offices for men and women for new jobs and for replacements.

During National Employ the Physically Handicapped Week, we are calling these facts to the attention of the manufacturer, the retailer, wholesaler, service manager—all employees and the general public so that all will remember when it comes to jobs—ability not disability counts.

Westinghouse Hi Topples Ellwood

Score Is 12 To 9, As Pittsburgh Outlasts Wolverine, Large Crowd

(Special To The News)
ELLWOOD CITY, Oct. 2.—Westinghouse High eked out a 12 to 9 win over Ellwood City Hi before 4,000 fans, at Lincoln field last night. The Pittsburgh city champs combined smooth passing and good running to outscore a strong "Wolverine" ground attack.

After a scoreless first period, Westinghouse took over on their own 44, on a punt exchange. On second down, Gallo passed to Nicoletti who lateraled to Guadagnino and the Westinghouse fullback was run out-of-bounds on the Ellwood 4 yard line. This play covered 45 yards. Bolena, a backfield sub, scored on his second plunge through the Wolverine line. Gallo's pass for the extra point was incomplete.

Wolverines Switch Strategy
Ellwood tried seven passes in the first half and completed none. Coach Croft's boys switched to a strictly ground game in the second half and the reversal of strategy

soon paid off. A poor Westinghouse punt went out-of-bounds on their own 30. Ellwood then drove to a touchdown by picking up small yardage on successive line plays. O'Brien climaxed the effort when he plunged over from the 2. Verone made his fourth straight conversion attempt of the season. Ellwood was now leading 7-6.

Westinghouse returned the following kickoff to their own 31. A Guadagnino to Jones pass was good for 30 yards. Gallo picked up 16 and Guadagnino 8 more to put the ball on the Ellwood 21. Jones then passed to Cutrussula in the end zone to put the visitors in the lead again. Having been penalized 5 yards on the first conversion at-

Braves Obtain Marvin Rickert

NEW YORK, Oct. 1.—(INS)—Outfielder Marv Rickert, recalled from Milwaukee as a replacement for the injured Jeff Heath, will join the Boston Braves in Brooklyn today to get tuned up for the world series.

Baseball Commission A. B. Chandler has allowed the new National League champions to bring up Rickert, who previously played with the Chicago Cubs and Cincinnati Reds.

Rickert will be used exclusively against right-handed pitchers.

tempt, Westinghouse failed to add the extra point on a pass play. Ellwood Scores Safety
In the final quarter Ellwood punted to the Westinghouse 30. Westinghouse lost 8 yards on two line plays and Gallo dropped back to punt on third down. The snap from center sailed over the left halfback's head and he fell on the loose ball in the end zone as he was tackled by Giovanni. The safety completed the scoring.

Ellwood led in first down 10-9 but was unable to match the six completed of Westinghouse passes that were good for 130 yards.

Ellwood will try to get back on the victory trail next Friday night when they entertain Sharon in a double A clash at home.

Westinghouse returned the following kickoff to their own 31. A Guadagnino to Jones pass was good for 30 yards. Gallo picked up 16 and Guadagnino 8 more to put the ball on the Ellwood 21. Newspaper Week Brings Tributes

HARRISBURG, Oct. 2.—State-ments by President Harry S. Tru-man and Governor James H. Duff praising the public service ren-dered by daily and weekly news-papers were issued here today by the Pennsylvania Newspaper Pub-lishers' Association on the eve of National Newspaper Week.

Said President Truman: "I take this occasion of National Newspaper Week to salute the free press of America. Your slogan for the year, 'Your Right to Know Is the Key to All Your Liberties,' is happily chosen. It sums up the principles on which our Republic is founded and the ideals toward which we strive."

Governor Duff comments: "As Pennsylvania's daily and weekly newspapers prepare to ob-serve National Newspaper Week, October 1-8, and rededicate their services to the best interests of the Nation, the Commonwealth and their home communities, it is fitting that the people of Pennsylv-ania pay deserved tribute and ap-preciation to one of our greatest institutions—a free and uncon-trolled press.

"A free press is a vital and very necessary function in keeping the people informed, and in maintain-ing our form of government, and it is most fitting that all of us join in honoring our editors and pub-lishers during the period designat-ed as National Newspaper Week."

Tell Newspaper Story
The story of newspaper service will be told at more than 250 ser-vice clubs and other meetings in Pennsylvania during Newspaper Week, according to William N. Hardy, manager of the PNPA, who is in charge of the observance in this state.

In several communities, Kiwanis, Rotary, Lions and other service clubs are planning joint meetings at which the story of newspaper making will be told. The slogan to be emphasized at these meet-ings and throughout the week will be, "Your Right to Know Is the Key to All Your Liberties."

National Newspaper Day will be observed Saturday October 2. Publishers in many cities of the state are planning to salute their boys at meetings, and to announce contests in which there will be substantial awards for the carriers.

Public officials in many places took occasion to praise the news-papers for what they have done

to improve local conditions. From the educational point of view, Dr. Francis B. Haas, superintendent of the Pennsylvania Department of Public Instruction, in a statement referred to the fact that "those having a responsibility in deter-mining the objectives of public education recognize the close re-lationship existing between these two fields of endeavor, both of which are vitally important factors in the security, well-being, and social progress of our Nation."

"Our newspapers and periodicals have performed an outstanding service in the fidelity with which they have gathered and dissemi-nated information of public inter-est, and in keeping faith on mat-ters which might be inimical to our National security. Despite our ever-present domestic conflict of beliefs and purposes, a large share of our existing mutual understand-ing and cooperative effort is di-rectly attributable to the editorial and reportorial staffs of our many and varied publications."

Free Press Essential
William S. Livengood Jr., sec-etary of the Pennsylvania De-partment of Internal Affairs, said: "Those who framed our Con-stitution intended it not only to protect their own liberties but that it should guarantee them as well to posterity. No force in America has done so much for the preservation of our Constitutional rights as our newspapers. A free press is essen-tial to a continuation of the Amer-ican way of life."

Touching upon the economic side of the newspaper business, Orus J. Matthews, secretary of the Department of Commerce, pointed out:

"National Newspaper Week finds newspaper publishing established as one of the major industries of Pennsylvania. Newspaper publish-ing and commercial printing plants in the State represented an in-vestment of \$118,457,000 at the end of the war, but this investment has been increased by more than \$50,000,000 since that time. The in-dustry ranks eighth in Pennsylv-ania in number of employees, sixth in total payroll, and sixth in value of products. That is a vital con-tribution to the economic life of Pennsylvania."

It is said that the accordion, the smallest of the organ family, pro-duces the greatest volume of sound in proportion to its size of all mu-sical instruments.

Raymond Peluso Home From Italy

Local Banker Concludes Two-Months Stay Abroad: Pleased With Conditions

Raymond Peluso of Elizabeth street, local banker at the People's Bank, has arrived home following a two-months stay in Italy, during which time he was awarded the honor in receiving the title of Cavalier.

Mrs. Peluso reports that she received many lovely gifts which her husband brought home from Italy, and also other members of her family.

Mr. Peluso visited with his three brothers: Joseph, Anthony and Benny. His trips extended into Rome, Naples and other cities. Here he talked with many who helped to defeat the Communists at the last election. Mr. Peluso was at that time in America, and his constant pleas to his relatives in Italy to defeat the Communists proved worth while. Thus, after the Communist defeat he promised his relatives a visit.

Conditions in Italy are improv-ing he stated, and Mr. Peluso saw many new buildings that have been erected in towns and cities where there was much destruction.

TRAIN TRAVEL

"My husband and I are going to take a 3,000 mile train trip and would like all information as to clothes for me, tips, etc., during this long trip."

Answer: Wear a suit and carry an overnight bag or dressing case with all items necessary to your comfort for the three or four nights you will be on the train, as well as the necessary changes of lingerie, stockings and blouses, in addition to cosmetics, tooth brush, etc., etc. Thus, you will be spared the nuisance of having one of your large travelling bags brought to your berth or compartment. You will then be able to ship your baggage with the exception of the small valise, through to your destination. In your packing, don't neglect to include an opaque robe for trips to the women's dressing room. Be sure to bring along reading matter, cards and other games to pass the long waking hours.

Conductors and trainmen should not be tipped. Station porters are usually given 25 cents for each bag. The pullman porter should receive 50 cents to \$1.00 a night, depending upon the service he renders... the waiters depending upon the amount of the check with a minimum of 25 cents. If a meal is served in your section or compart-ment, the usual tip should be given in addition to the service charge added to the check.

Any special service required by you of the porter, such as bringing milk or iced beverages, looking after a child or elderly person, requires generosity in tipping. It is a good idea in such a case to give this extra amount at the beginning of the trip and the usual fee at the end. If you require the service of a barber or hairdresser, valet, etc., at tip, in addition to the charge is given as usual.

Fire Prevention Steps Are Taken

Fire Chief Steinbrink Is Getting Ready For Fire Prevention Week

Although Fire Prevention Week isn't effective until next week, Fire Chief Herman F. Steinbrink be-lieves every day is fire prevention day, hence he has Second Assistant Fire Chief William Bowen, Fire-men Lee Campbell and Frank Sargent inspecting attics and cellars in the business district.

Next week Chief Steinbrink in-tends to have the firemen inspect clubs, to make fire prevention, ad-dresses to students in the various schools.

CALLS FROM JAPAN EARLY ON FRIDAY

Mr. and Mrs. Dominick DePro-pero, 307 West Wabash avenue, were surprised at 2:30 a. m. Friday to receive a call from their son, Pfc. Bennie DeProspero, who is serving in Japan.

Calling from Sapporo, Japan, the seventh ward soldier reported that he was well and that he would ar-rive home next February. He has been in the service for the past two and one half years and has been in Japan for two years. He is with the 11th airborne division. Greetings were extended to his many friends.
